

"...MORE THAN A
RETREAT..."

"I was fortunate to attend Cursillo in Alabama 39 years ago when I was 30. I loved God and loved church, which provided the "what" of a Christian life, but my Cursillo weekend gave me the "how" tools I needed to live a balanced life of faith.

For more than thirty years, I met weekly with my group reunion, and we held each other accountable to a life of piety (worship), study (learning about the gift of God), and action (being God's hands and feet in the world). We also learned how to talk about God (evangelize) in a very natural way, as "God-talk" became a weekly practice.

My long-ago Cursillo weekend was far more than a retreat -- it was my roadmap for a faith-full life."
